

Berlin Conference Questions

Name _____ Hr _____

Read the article on the Berlin conference, then use the map on p. 710 in the old blue World History text to help you answer the questions.

1. Why did Otto von Bismark call the conference?

2. What was his original strategy?

3. The 14 countries present represented what continents?

4. Which continent surprisingly was not represented?

5. What was the original task of the conference?

6. What did the European countries actually do?

7. Because of the way they divided Africa, what problems did they create? (All answers not in reading, think on your own!)

1.
