

Read through the testimony to the British Parliament Commission about the working conditions of the mines. Answer the following questions using evidence from the testimony.

1. Types and ages of people who worked in the mines and their pay.
2. Describe the work schedule of someone working in the mine.
3. Treatment of the workers. Give specific examples.
4. Describe working conditions in the mines.
5. Description of the types of jobs in the mines and who would do each job.
6. Differences in the testimony between the workers and the owner of the mine.
7. Does the testimony of Hannah Richardson match that of the kids? Explain.
